Unfold the frontier on this brand-new mod-extendable game inspired by some of the best spaghetti westerns of the '60s and '70s. Feel like you are walking in the footsteps of Clint, Luke, or Blondie? The Colt Canyon soundtrack was recorded and mixed by Luigi-Maria Rapisarda and can be downloaded for free. Enjoy this music in your game while you fight bandits, hunt game, or indulge in good whiskey! The Colt Canyon soundtrack is inspired by the works of Ennio Morricone on the great Spaghetti Western movies of the 60s and 70s. Key Features: - Three types of music for the three main game characters, each unique, but all representing an era of the Spaghetti Western era (late '60s, mid '70s, early '80s). - WIP - Approximately five minutes of music for each of the main character. - Do you like music with no boundaries? This game doesn't have any "scope" limits, and thus the music is only different depending on the character you are playing. - Playable solo, against a computer player or against a human! - Download the Colt Canyon Soundtrack or just a link to a download-area! - Tell your friends about the soundtrack! - A gRAPE! - More content, support, and updates to come! About Luigi-Maria Rapisarda: Luigi-Maria Rapisarda is a well-known Italian composer and musician. He was raised in Ugoletto di Monticello, an area located close to Firenze, Italy. Luigi is a multiple Academy Award winner and holds a record for being one of the most awarded composers in the history of film. He started studying music at the age of 14, receiving special attention from a professor at the Santa Cecilia Conservatoire. During this time, he was in the Chamber Choir of the Queen of Sweden, and performed on various stage with the Giorgio Capitanucci Band. Later, he continued his studies at the Accademia di Santa Cecilia, and also received training from Franco Donatoni and Luciano Berio, two renowned Italian composers. As the year was ending, Luigi's father died and he realized he could no longer pursue his studies. Instead of studying music, Luigi chose to play the accordion for a while, and he decided to move to the United States in 1986.

30th May 2016 Kerikeri | NZ This game is crazy. Can't stop playin' 30th May 2016 this is the best puzzle games.can't stop playing! 30th May 2016 carlo angrick-ed Love it. don't stop. 30th May 2016 Alrufis Always loads then stops working 30th May 2016 Ben Danford Its frustrating because when it's working it's absolutely amazing 30th May 2016 Park Ranger 5 The last one! 30th May 2016 calgary I love this game! 30th May 2016 Ben Danford I hate that game. Its great but when it's done it'll still be open for 10 minutes and then it's done. I hate that. 30th May 2016 Sue i love this game 30th May 2016 Rick Wow. I've been playing this game for over an hour straight now, and can't put it down. It's so amazing to be able to do what I love so much, and it is so well made. 30th May 2016 sarruk there is a game bug i downloaded it bought it opened then stoped worked fine for months then last night it stoped working till today 30th May 2016 Park Ranger 5 @Sarruk If you email me the error message I might be able to help. I can't check if you are running Vista as I don't have that but maybe check your Firefox browser extension first, download that then copy the extension folder over. 30th May 2016 Beachbums There is a thing in the icon when you try to load, it has a

long black strip across the side of the screen and it says something like not a real application I think. 30th May 2016 Calum I like this game and have been playing it for months. I had a program crash for a few days after a custom update which meant that I couldn't log on, so I started over and found a 'solved' or 'scored' folder and everything was still there from before, including all the saves that I had and so I thought it was just a bug until I got that message

Aqua Boy is a metroidvania-style game in which you guide Aqua Boy around a series of interconnected underwater levels to collect an array of special items and beat a series of bosses. Along the way, you'll find plenty of hidden secrets, collectables and treasure. The game has three distinct but interconnected game modes: Story Mode: complete the game to unlock a second chapter with more levels and bosses. Hard Mode: replay levels that might be a bit too tricky for you to get all the items and treasures. Classic Mode: play

the game in the traditional way. About the Developer: DargaN is a studio based in Sofia, Bulgaria. Our goal is to create games that are beautiful to look at, devious and challenging to play.
