A fantasy action RPG developed by MONOLITH and NERO CORSAIR with love. Inspired by the high quality and the unique atmosphere of classic fantasy games, we aim to bring you a different fantasy with a unique open world environment. Explore your way through a vast world with monsters from another world. The freedom of choice to use magic to fight, your own story, and the open world itself are the main features of this game. MONOLITH, NERO CORSAIR: MONOLITH is a game development studio with experience in both the corporate and educational world. Lately we have been developing core systems for MMOs, and we are developing a new game based on our studio core systems, named Norse. NERO CORSAIR: NERO CORSAIR, a studio known for the quality of its RPGs, is a long-running developer in Japan. The title that NERO developed the most hit title in the history of Japanese games is the infamous "Dissidia." NERO and MONOLITH have a long history working together, and the two are joining forces for the development of the new fantasy action RPG. Based on the Freedom of Choice to Fight with Magic In the game, you can freely choose your own form of magic. Depending on the types of magic weapons and armor, you can set up your own combat system to confront any kind of problem. We also developed a powerful item called "Elemental Key" that links your enemy and the surroundings, enabling you to use the strengths and weaknesses of the enemy. It is up to you to try to use everything you have at hand as you use the attacks and weapons that you prepare. Overview of Game Elements Experience a Fantasy with Loose Online Connections Story A Vast World with Multiple Overlapping Realities. ## **Elden Link Background:**

The Elden Ring is a circle-shaped gem found in a cave on the edge of the Lands Between. Its inner side is engraved with three eyes signifying three gods that created the land. Whenever the Elden Ring is worn by someone with faith, it enhances that person's spiritual power.

Three Elden Lords lead the world and send adventurers to the Lands Between. In the deeply troubled medieval period, the power of the Elden Ring is mysteriously changing, and monsters become more powerful every year.

---

Now that you're becoming an Elden Lord, you are here to cleanse the Lands Between and restore the danger of the Endless Darkness to the pure light of the Elden Ring.

## **Explore the Lands Between and Make Your Own Story**

The Lands Between is a world in which many different fantasy stories and worlds are interlinked. Saw the end of the world that was destroyed by the evil Endless Darkness, reborn into a fantasy world. Are adventuring together to change the land again.

**Helpless Inside the L'oreal Vichy | Escaille de Cosmetologie ...Show moreShow less A cathartic journey inside L'Oreal Vichy. Please enjoy and comment. "Queer the revolution", said Oscar Wilde, "makes its answer." It was a time to choose, to apply the right weight to our moral responsibility to express our thoughts. And to be cautious. For reasons of safety and to avoid a dangerous war, the Club des Maraudeurs, founded during the Reign of Terror for friends of the Republic, asked its members to quit and keep their private lives. Must be, demanded a censorship, the "non-speaking of these affairs". Who has the right to complain of the republic without first offering to curb his wishes? Stop speaking out of turn... Are we not indebted to the great Queen for our freedom? Has not the nurse who has hidden "these affairs" for 17 years with her husband written, for our children, the history of her project? Are we not France, Fatherland? The list of revocable organs covered by the project including navels and armpits. The name of "Beauty" appears under the question "What am I?" It is, in fact, the tag applied to their raw observations. Be, but how? With lipsticks, and basins?
