Languages: English

===== What's New: A new DLC pack for My Lands 2. The free adventure continues with brand new 120 levels and an innovative second round. Play the exciting and addictive kickout game with the cup. To increase your rating

and become a new Champion you have to survive the new 120 levels. To survive you have to choose, move and lay the tiles. To do so you have to select from the selection. To select the winning tiles, you have to press the appropriate button. To move tiles you have to drag them and to lay tiles, you have to tap on them. Use left/right arrows to move tiles and the space to place them. The game is in Japanese with English subtitles. Enjoy the exciting adventure. To learn more about the game play, please visit www.maandu.eu If you have questions or if you need help, please reach me at e-mail: maandu.eu@gmail.com Please give me a 5-star rating, it will help me a lot in the future to improve my work. *****Download Now***** My Lands 2 is a roll-up game with a mix of gameplay. Remove as many of the orange tiles as possible, and save the gold ones. Once the table is cleared, it's over. Clear the table and you win. The game has been designed for

players of all ages. The gameplay is very easy. The table is shown with the golden tiles from the bottom to the top. Select the correct tile by tapping on it. Try to remove as many tiles as you can. If you remove too many tiles, you'll get a score. You have to try to remove as much tiles as possible to win. You can collect gold

The Ramp Features Key:

Tiny Bunny: Prologue is a Moon Scroll and Shine Scroll adventure puzzle game with a theme of **Saint Seiya** where you can explore the moon world;

It's not your ordinary toddler puzzle adventure game, not even close;

The theme of **Saint Seiya** is ever so evident;

The world map of Moon, a beautiful looking world.

You will discover hidden land icons, **Sun** icon, **Planet** or the **Moon** icon, treasure chest, brooch and a lot more while playing!

Save all your progress at every level.

Find out if you got the **perfect** 100% solution in each level of Moon.

This **game play much similar to the earlier levels from Contessa's Tiny Hide and Seek and Tiny Labyrinth** where **you were never completely clueless** how everything works.

Tiny Bunny: Prologue is an added Chapter for the Tiny Bunny games collection;

So this is the **kick-off** to the next major release of **tiny bunny** collection, do not miss this game!
