Aggressive midfielder Timothy Tillman (2) sees a corner kick go out of bounds against UNB's Daryl Fordyce (7) in a 5-2 win. - Adam Panton Media contact: Reid Schlachter 604-899-6084 WINDSOR, N.S. -- UNB turned in a dominant performance in the second half and the No. 1 Huskies needed only eight saves from goalkeeper Jonathan Reimer to put away the University of New Brunswick Timberwolves, 5-2, in a New West semifinal at the F.J. Cows Community Stadium on Friday. The Huskies improved to 13-0-0 when scoring three goals in the final 30 minutes and with the win over the Timberwolves, they advance to the New West final against the winner of Halifax-St. Mary's on Saturday. UNB's goals were scored by Richie Anderson, Cory McIntosh and Chris Woodhouse, while Jonathan Reimer made seven saves in the victory. The Huskies have now won 26 consecutive New West Conference regular season games against the Timberwolves. The Huskies jumped ahead to a two-goal lead early in the second half when Anderson buried a rebound in the box with the Timberwolves up 2-1 with 11:20 left in the game. Anderson's second goal of the game, set up by a hard shot into the box by Joe LaChapelle, gave the Huskies a 2-0 lead. Chris Woodhouse put UNB back on the board with two goals in quick succession. The second, scored on a team-high six shots, was his second of the contest to pull the Huskies within one. UNB goalie Jonathan Reimer, however, came up big for the Huskies when he robbed an incoming shot from the inside right of the goal by Cory McIntosh and came right back and turned it over to Anderson at the edge of the box. Anderson tucked it home and the Huskies were up 4-2. With the new semi-final format, the teams will switch around with UNB playing first. Timothy Tillman (2) The Huskies kept the pressure on the Timberwolves and the lead almost doubled as Woodhouse opened the scoring at 19:45 when his shot from the top of the box was deflected in by Tillman on a power play. UNB answered quickly with a goal from Daryl Fordyce, but Woodhouse put UNB back
