**Polyamory Mod Sims 4 VERIFIED**

[Download](#)

---

The mod you can't do this with is called: WickedWhims. It has poly trading and trading without jealousy. You get them by earning points and then...see what you can buy! With the help of the mod, you can easily and conveniently change the nature of your character, making him act the way you want. For example: You can see over 10 different body types to choose from. You can unlock over 40 different items of clothing. You can see over 10 different types of hairstyles. You can even force your character to have sex the way you want. You can even force your character to have sex with other characters.
