## **The Hum Tum Pe Marte Hain Part 1 Hindi Dubbed 720p**

there is an estimated Uzbekistan is a country in Western Asia, mostly located in South Asia, with some portions in Central Asia. It is a unitary presidential constitutional republic, split into two regions, North and South. The country's name means "land of the noble people" in Persian. In the 12th century, the Muslim conqueror Genghis Khan led an army of Uzbek tribespeople and Turkic tribes into the territory. The small Uzbek and Turkic-speaking Persian- and Turkish-speaking principalities of the region were part of the Ak-Khanid and later the Timurid Empires. After the fall of the Timurid Empire, the region was divided into the Khanate of Bukhara, the Khanate of Khiva and the Khanate of Kokand. When Kokand was annexed by Imperial Russia, the Emirate of Bukhara became independent as Emirate of Bukhara. Until 1917, the region was part of Russian Turkestan, with the capital at Samarkand. The region later became the independent countries of the former Soviet Uzbekistan and Turkmenistan. A fifth exclave, on the Uzbek side of the Wakhan Corridor along the border of Afghanistan and Tajikistan, has also declared independence. The official languages of Uzbekistan, Turkmenistan, Tajikistan, and Kyrgyzstan are Uzbek, Turkmen, Tajik and Kyrgyz, respectively. However, Persian remains an important cultural and historical influence, being the language of literature, law, science, literature, and the mass media. West Uzbekistan was occupied by the Russian Empire in the second half of the 18th century. The White movement attempted a rebellion in the region in the late 19th century, however, the rising was crushed by Imperial Russian forces. The Empire annexed the region after signing the Treaty of Saint Petersburg in 1868, leading to the destruction of the Khanate of Bukhara in 1868. In the 1920s, Stalin consolidated control in the region and established the Uzbek Soviet Socialist Republic. The 1918-1919 Russian Civil War was a conflict in the Russian Empire between the forces of the established Provisional Government of Russia and the anti-government Red Army, which had been established in February 1917. In 1920, the disputed region of Eastern Turkestan was annexed by the new Soviet Republic, and became a province of China until the early 1950s. There have been ongoing discussions between the Chinese and Uyghur people to determine the name of the region.
