Plot Summary (from Wikipedia): In Fortnite Creative, the free-to-play sandbox mode, players can build a world where they and others can explore with friends, then customize and battle in it with custom resources as if in a battle royale. Players can also change the game's environment in real-time with their creations, including placing structures, as well as playing and controlling characters in customizable worlds. There are some limits on the size of worlds built but it can be as big as 10 gigapixels and costs no money to enter. Plot Summary (from wikipedia): United by a spark of life, the monks of the island city Watcher, led by the mysterious Lorcan, must work together to save the mystical beings called the Children of the Golden Light, and keep the creatures of the dark world from laying waste to their territory. Factions of dark creatures roam the country without being seen in the days after the player chooses the final four Children, fighting one another and the Watchers to claim the fate of the world in the final showdown. Your objectives include attacking enemy outposts, raiding underground labs for advanced technology, rescuing fallen comrades, and sniping enemy forces. Halo also lets you battle three other players via intense split screen combat or fight cooperatively with a friend through the single-player missions. Plot Summary (from Wikipedia): Grand Theft Auto: San Andreas is the fourth main Grand Theft Auto game, in the series. It was developed by Rockstar North and published by Rockstar Games. It is the first game in the series to be developed for the PlayStation 3, Xbox 360, and Nintendo GameCube. San Andreas was released on September 17, 2004 in North America and on September 21, 2004 in Europe. In the game, players are able to roam all over San Andreas, which is divided into four regions: the beach, the city, the mountain region and the desert, as well as its suburbs and the offshore islands. The title was released in Japan as San Andreas: Game of Gomorrah. The game is the first installment in the series to feature the Create a Player, which allows users to play as fictional versions of the game's protagonists, such as Triple-X; Triple-X then begins a series of "missions" throughout the city.
