## Dragon Age 2 Romance Mods

[Download](#)

any modder worth his or her salt will tell you that their greatest accomplishment is when a modder can make his or her creations as close to the original modders' vision as possible. this is exactly what happens with dragon age 2 romance mod. the modder has been able to recreate the options that the original modders had originally envisioned. although the mod is in its early stages of development, it's already been a hit with fans. it's certainly the most comprehensive and exciting mod to date. one more great feature of the mod is that you can now have multiple romance options in the game. in the past, you had to have a really high intimacy to romance different people in the game. however, the modders have made it possible to have multiple romances going on at the same time. unlike some of the other mods released this week, this mod doesn't include any romantic scenes, but the player can still have a pet, befriend a companion, and even be able to romance them. all the mods can be found on the mods database of zmod. this mod will allow you to have your characters romanced. you can even have them get married. however, the mod will not have any romantic scenes, so you will be able to keep all of your romance options as usual. you can also have your companions romanced as well. they will behave like any other companion in the game. this mod allows you to romance your characters and your companions. it does not have any romantic scenes, so you will be able to keep all of your romance options as usual. it also does not add any new features, so it is very similar to the vanilla version.
