All Water Is Created Equal (And Someday You  
Won't Be Able to Drink It) What will we do  
when the oceans warm and the level of the  
oceans rises and the ice caps melt? That is the  
great unknown that I hope you never have to  
learn. But no matter how unimaginable it may  
be, if you have to think about the end of the  
world, it has already begun to happen. Right  
now in your neighborhood, there are storms  
that are turning rivers and lakes into raging

ocean waves. What that means, in layman's terms, is that when I go to the drug store and fill up my plastic waters, they could all be dirty because a river somewhere in the world was turned into a 04aeff104c
